Full care, at all times.

	During your study programme in Spain, you will have a direct contact person to look after your health at all times.
▶ 24/7 ◀	4/7 Emergency service (with priority care for international patients).
	Outpatient consultations in all specialities, Monday to Friday.
	Multilingual interpreters will be at your side throughout the entire care process.
	We manage all international medical insurance (for national insurance, please enquire).

It's that easy. Just contact us.

For medical appointments, send us an email and we will respond within 24 hours.

In case of emergency, go to the **nearest HLA hospital** and/or call us before going. Once at the hospital, identify yourself as an **international student** and you will be attended to in English if necessary. You just need your identification, insurance details and the name of the programme you belong to.
